ORANGE COUNTY - FEBRUARY 1964

NO. 11.

HAPPY BIRTHDAY

TO OUR

ORANGE COUNTY

A.A.

CENTRAL OFFICE

1962 - '64

A DEDICATION

As far as we know the story of the Orange County Central Office of Alcoholics Anonymous has never been actually told- how it started, who started it, who fought the unbelievers, and who despite the trials and tribulations accompanying such a venture kept diligently and faithfully believing in this "Service Center" in this area. Surely a Higher Power must have looked down kindly on these dedicated AA Members, for there were times that even the faith of the most faithful, was dimmed. To the faith and dedication of these "Founders", this issue is dedicated.

.....

Two years ago several dedicated AA members went to work to establish the first Central Office or "Service Center" in Orange County. With the growth of this area, and the increasing demands, the need for this office was definitely recognized. Through the efforts of Allen O., Costa Mesa, Bill S., Garden Grove, Charlie V., Anaheim, Bob M., Anaheim, Johnny C., Orange, Hap A., Garden Grove, Joan E., Costa Mesa, Colleen D., Garden Grove, Stu P., Corona del Mar, Dick, and Last but not least Johnny H., Garden Grove, the office was opened. Johnny H. having come to this county with 6 years experience in establishing the Cleveland Central Office, plus 20 years of AA Sobriety offered to donate this experience to us for 3 months without remuneration. Johnny saw the need and was willing to help fill this need.

It was a struggle! It was new! There were many who resisted the whole idea of a change. At this time AA in Orange County was 21 years old- the membership was increasing rapidly and there was no focal point of operation. So these dedicated people went to work against great odds. There was little or no money- it was touch and go as far as keeping the bills paid.

It might be interesting to those of you, who don't know, how the location of the office was determined. Johnny H. went to the Telephone Co. to find out what exchange area would give the greatest coverage free of toll charges- Kimberly 2 was indicated. The telephone Co. supplied Johnny with the exact area involved. With this information he went to a realtor in that area- explained the need and the office was rented.

The first day of operation found the office furnished with one desk and chair, donated by Johnny H., one typewriter and stand and chair, loaned by Chuck and Wayne F., one lamp borrowed from Mary H., and one TELEPHONE.

With Johnny's know-how, his faith, along with the faith of the Office Opera-

ting Committee, as it was then called, and a small Intergroup membership, the office went into business. No phone listing, but the calls came in! No advertising, but the people came in!

There was no maintenance at this time and so Johnny, his wife, Mary, and the family cleaned the office weekends. At this time Loyd W. offered to do the maintenance- 12 step work- he called it! There was confusion about the book-keeping and handling of this phase according to the requirements of the Federal and State Governments. Elsie S. came to the rescue, offering her services also without remuneration. Little can we ever know the amount of effort- the endless figuring that Elsie put in in behalf of our office - making sure that AA was protected in every way, financially and tax wise. (12 Step Work?)

The Office lived one day at a time. Johnny stayed long past the time indicated... still only enough to get by! But the Office just wouldn't die, in spite of the predictions of some.

AA and its office became well known to all agencies involved in the problem of alcoholism, and to many it was the answer to their alcoholic problems.

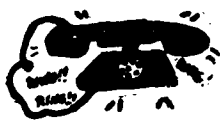

Page after page could be written, many whose names have not been mentioned, have had a part in the building of this office... Olin D. for one...

Johnny resigned last November as secretary. We, in Orange County AA, owe him and his family a great debt for the unswerving devotion that gave us this office of stature and dignity.

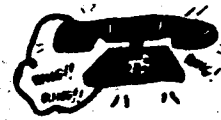

We have a precious gift here - the Heart of Orange County AA - given to us by these people and their faith in a Higher Power. Let us not forget how it came about - let us guard it well - just as those first few - it is our office - our "Service Center". It is our link to the alcoholic who still suffers."

So once again "Happy Birthday" ! and as we grow in the future, let us always remember how it was in the beginning.

SUPPORT YOUR CENTRAL OFFICE!

WHY WE SHOULD SUPPORT OUR CENTRAL OFFICE

Each of us in AA owes his or her sobriety to the interest or efforts of someone else. Someone brought the AA message to us. We were able to solve our drinking problem only because there was a telephone number we could call, or a group in whose meetings we were made welcome. Support may take many forms other than financial, (although this is always welcome and usually needed). Among the things we may do as individuals is to be sure our group has a Group Representative to the Orange County Intergroup and that he or she attends the Intergroup meeting each month. Also volunteer help is needed in the Central Office to answer the telephone and to dispatch 12th Step calls-5 to 10 P.M. every evening and Saturday and Sundays. Please call Jim M., office manager, if you can help out with the problem of manning the telephone after office hours.

ANNOUNCING A NEW FEATURE OF YOUR LIFELINE!!!!

You are cordially invited to write your opinion regarding any facet of AA, Alanon, or Alateen in Orange County to Lifeline Editor, 519 No. Grand Ave., Suite "C", Santa Ana, Calif. ORANGE COUNTY INSTITUTIONAL COMMITTEE NEWS

Orange County Honor Farm- AA at the Honor Farm continues to be one of the brightest beacons of hope for the alcoholic your reporter has ever had the privilege of being associated with. Where member after member stands up before the group and expresses gratitude for the time he has had to do at the, "Farm", because of the quality of the AA he has found there, and the sincere fellowship and understanding he has become aware of for the first time, even though he may have had prior experience with AA, it proves to me these boys are sincere; "Hitting their bottom," "Taking their own inventories," "Facing reality," "Accepting the will of their Higher Power," "Action is the magic word", "Twenty-four hours at a time", "Practising these principles in all their affairs," "Doing the best they can with what they have," "Gratitude", "Carrying the message," "A drink means a drunk", recognizing the symptoms of ego, of "self-will run riot", and what to do about it- these boys are learning, accepting and applying pure basic AA and its working. More and more of the fellows leaving the "Farm" are making AA and sobriety their number one goal and doing a fine job of it. Every one of them is a source of new hope and inspiration to those still inside. Sure, some have difficulty after leaving, but they, too, help the men in the group. They now have a choice and having faced it, more and more are determined to "Stick with the winners". Bob H. and Cecil H., are continuing their stewardship as chairman and secretary. The fellows feel that every panel member has been doing a fine job, the guests have been uniformly helpful and their own participation group a real workshop. The two women Alanon speakers were very much appreciated, the fellows claim they learned a lot they had been completely unaware of and, for many, new hope has been instilled in their futures. By popular request a similar meeting is scheduled for February. Everyone connected with this activity is entitled to a bouquet even if he doesn't want it.

"Most folks are as happy as they make up their minds to be".. Abraham From "Just for Today" Lincoln

FROM PANEL 2 of GSO- The first General Service Assembly Meeting for the Southern Calif. Coastal Area(Panel 2) was held at the Alana Club in Anaheim, Sunday, Jan. 26. Our new Delegate, Tom A., presided. The other officers, also elected at the previous Oct. meeting are, Ted B., treasurer and alternate delegate, and Mary S., Secretary. Among the items reported were: (1)the idea of a monthly sharing plan for Group contributions to GSO., with quarterly statements from New York giving the amount contributed by the Group so far that year, to do away with special appeals for funds and the piling up of contributions at the end of the year., (2), an account by Warren S., of the success of the workshop held monthly by Districts 12 and 6, emphasizing the value of the sharing session pamphlets put out by GSO which provides excellent topics for discussion- in this connection Johnny H., pointed out that much of the GSO literature can be obtained from our Orange Co. Central Office, (3), the proposal to change the boundaries between Panels 1 and 2 so as to make them closer to the same size. This last issue will be considered by a joint meeting of the committeemen of both panels in February, and may then come up for consideration at our April 12 general assembly.

Madeleine K. asked for clarification concerning contributions to Panel 2. Panel 2 is self-supporting-independent from GSO in New York- by Group contributions and by passing the basket at Gen. Assembly meetings. The money is needed for mimeographing and distributing the minutes and other communications, for helping with the traveling expenses of our Delegate to the annual Gen. Service Conference. A donation of \$3 per year is needed to make this budget.

Next meeting, Sunday, April 12, 1:30 PM, Alana Club, Anaheim. Make sure your Group has a representative to this meeting.

..... FROM THE VILLA- At a meeting, Jan. 28, presided over by Board Chairman, Josephine S., plans for the coming year were discussed. Millie P., Board Treasurer, explained the need for help in all phases of the operation. A working Group, The Villa-Ettes, was formed, with Reta M., Chairman, and Judy J. Co-Chairman. The first meeting of this Group will be Tuesday, Feb. 4,

FEBRUARY 1964

All meetings are 8:30 P.M. unless indicated.

12 Noon. All women, both alcoholic and non-alcoholic are urged to attend and lend a hand. There is a great need for bedding, clothing, transportation, etc., and the many services that are constantly required in this type of operation. Peggy W. was selected to plan and produce a Variety Show to be held later in the Spring. For this event, talent is needed. Anyone between the ages of 6 and 100 are eligible. If you want to take part in this worthwhile effort, call Peggy W. 5375060 before Mar. 1. Musicians are needed also and this should be an outstanding event in this county. **YOUR HELP IS NEEDED!**
