## Is Your Sobriety Showing?

What part of yours is showing most advantageously? Sure, being sober makes us different people- but it's the way we wear our sobriety that makes the big difference to us, and to our families, friends and co-workers.

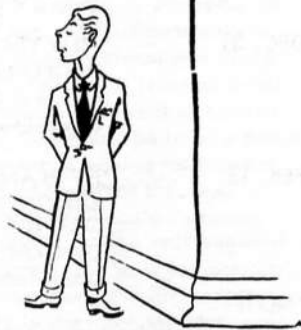

Everybody says you're looking swell now that you've stopped bending your elbow. Your eyes are clear and your walk is firm. Your appearance is personable and you're eating regularly.

But that's only one part of your sobriety and really, it's the least important part. You're the "new man" (or woman) they talk about in A.A. But is it just an external newness, only a physical change, simply window-dressing?

Any sober AAer can LOOK good. How we ACT should be the measuring yardstick of our improvement- or the lack of it.

How's the old personality? Still antagonistic to others? A chip on the shoulder lots of times? The long rusty needle, which we are so fond of sticking in others, is it still working overtime?

When people get over their surprise or gratitude after we've stopped drinking (and it generally happens rather quickly)

they soon stop making excuses for our personality and character defects.

They expect us to ACT better as well as look better. Now that we're sober, they anticipate kindness, consideration and understanding from us. But are we showing these essential qualities to them?

## HI DESERT POW WOW AND AA MEETING.....

On July 2nd and 3rd of this year (1966) we are holding our annual Indian Cove Pow-wow meeting on the Hi Desert. All our friends are invited to attend and join with us in a Potluck Dinner and A.A. meeting in the fascinating rocks and moonlight of Indian Cove which is located between Joshua Tree and 29 Palms, Calif. on Highway 62.

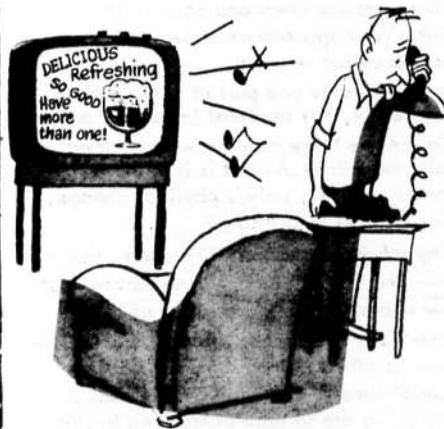

It has been suggested by our committee that your favorite dish would be a fine contribution to our Potluck and that you should bring your own water and table setting for your group. Coffee will be served as usual.

We have made arrangements with the Forestry Department for both Saturday and Sunday, so bring your gear and stay overnight on the High Desert. Dinner will be served between 6:00 P.M. and 8:00 P.M. Saturday, and the A.A. meeting will follow-

NOTE: If you get lost please call 366-2525 at Joshua Tree for help. Look for the signs at Indian Cove turnoff.  
WE'LL BE SEEING YOU.

### A LETTER.....

TO ALL A.A. MEMBERS FROM THE  
1966 SO. CALIF. CONVENTION  
TREASURER, LEO P.

Dear Jeanne:

I am finally able to sit still long enough to write you as promised in regard to the importance of registering, and the primary purpose of our \$1.00 registration fee is as follows:

"THE BILLS YOU PAY WILL BE YOUR OWN"!

The first \$3000.00 from your registrations is put aside, to be handed over to the incoming chairman, elected at the business meeting, for next year's convention, which in this case will be Anaheim for 1967. The balance of course to defray present expenses. This is in the By-laws of the convention, and of course after all bills are paid, the money left on hand is sent to G.S.O. New York.

I hope this will be of help in understanding the importance of our members to register for the Southern California Convention of A.A., even if you will be unable to attend, think what an important 12step call you will be making for yourself and A.A. as a whole.

Your grateful treasurer,

### "JOE'S MY SPONSOR"

Many of those attending the Palm Springs Desert Roundup were mystified by the badges saying "Joe's My Spnsor" until they learned that Orange County members were launching a campaign publicizing the New Year's Eve Dixieland Ball, the above being the password. Armed with flyers denoting the event, enthusiasm, and the full blessing of the Round up Committee Orange County AA members let it be known that we were going to have the biggest and finest New Year's Eve Celebration ever held by A.A. anywhere and we would be most happy to welcome any and all who cared to join in the festivity on that all important date. With optimism only familiar to AA, tickets were available to any who cared to make an early reservation, the cost being a mere \$7.50 per person or with tables of ten, a \$75 stipend paid in advance. This includes dinner and there are no other charges. The reaction by all was most rewarding..many out of towners assured us that they would be in attendance even to the extent of making reservations at the Disneyland Hotel for the night in order to avoid the non-alcoholic drunks on the road, and to make a redl weekend holiday for themselves. So if you are interested in being among the first, want a reserved table in the front sections, call your Central Office for reservations and further information. Your Ways and Means chairman, Gladie B., has a big night planned for your enjoyment. You won't be disappointed. Up to now her assistants are: Helen S., ticket Chairman, Ruth S., Decorating Chairman, in addition to her committee as formulated in the Intergroup

(Continued from page 1)

A happy sobriety is, I think, simply a reflection of a changed inner man or woman. It is an outward manifestation of a mental emotional or spiritual adjustment in ourselves.

An unhappy sobriety is, on the contrary, often the result of an undetected or uncorrected inner cause.

It may stem from continuing bitterness, rebellion at having to join AA or general discontent.

I'm an adult Boy Scout, if you will. . . . . each day I try to do my one kind deed, or express a kind thought to someone in or out of the fellowship.

My daily inventory consists of asking myself just one question each night: "Did I try to help someone today?"

And if not why not?

I know from personal and bitter experience what it is to be unwanted, unloved or unappreciated. Every alcoholic does.

But I also know, and from personal experience, that in order to receive friendship, I must give friendship; to expect kindness from others, I must be kind; to be understood, I must attempt to understand my fellow man or woman.

There is, of course, a reward for me in trying to practice these things. It took me some time to realize that other people are lonely, confused or frightened as I was, or just as insecure or bitter.

My reward is two-fold: (1) the knowledge that I cannot have a happy and contented sobriety alone, and (2) that I must share it with others in order to preserve and continue it.

EVERYTHING IN A.A. STARTS WITH YOU!

25¢ WORTH OF HELP!!!!

630 LONERS HELPED BY GSO AND SPONSORS.....

Over one-half of our 630 known Loners live outside the U.S. and Canada; 116 are Spanish-speaking.

Many have never attended a meeting. They have found their way to A.A. thru a piece of Literature, or the suggestion of a doctor or clergyman, and wrote to P.O. Box 459, N.Y.

Many of them maintain sobriety under very difficult conditions. . . such as the twelve Loners in Viet Nam, unable to contact one another.

A new Loner receives a letter with "Suggestions for the Lone Member," a package of literature, A World Directory and the list of Loners. He is encouraged to write to other Loners as well as to correspond with G.S.O. Each Loner receives bi-monthly the Exchange Bulletin, the Loners Meeting---a two-page bulletin we prepare using excerpts from Loners' letters.

We have a Loner-Sponsor list of nearly 300 Group members who sponsor via mail. Each time Loners are mentioned in the Exchange Bulletin many members want to join the Loners Group, or become Loner-Sponsors.

For some A.A.'s there seems to be an emotional as well as a geographic aloneness. Some seem quite content, and do not make any effort to form a group. But every effort is made to help them "carry the message" if the opportunity arises. Many flourishing Groups today were originally started by one Lone Member.

### LIVING SERMON

I'd rather see a sermon  
Than to hear one any day  
I'd rather one would walk with me  
Than merely show the way.

I can soon learn how you do it,  
If you'll let me see it done;  
I can watch your hands in action  
But you tongue too fast may run.

All the lectures you deliver  
May be very wise and true,  
But I'd rather get my lesson  
By observing what you do.

Though I may not understand you  
And the fine advice you give,  
There is no misunderstanding  
How you act and how you live.

LAST MINUTE NEWS!

CANYON CLUB BURGLARIZED!!!

Someone evidently aware of the large receipts hoped for from the benefit show Saturday night, June 25th, burglarized the Club.

Thanks to Ed S.'s "Higher Power", receipts from the show were safeguarded and not left on the premises. Taken were some group funds and operating cash. When contacted by phone Ed had not determined the amount, but expressed sincere gratitude it had been relatively light and wished to reassure the Club's many well wishers, "God is with us."

ALATEEN HURT IN ACCIDENT!

Don I., Costa Mesa Alateen who was received so well as a speaker at the recent Palm Springs Roundup, was painfully, but not seriously, injured in a collision between his Honda and a Sports car Sunday afternoon.

According to Don, and witnesses, the sports car made an abrupt left turn, from the right hand lane in front of Don, and he was violently thrown to the pavement by the impact.

Taken to Hoag Hospital for X-rays and treatment, he was later released. Principally injured was Don's right leg, but he was being closely watched for any signs of a possible concussion. Don's gratitude to Gos is very deep and sincere for His protection.

## PALM SPRINGS DESERT ROUNDUP REPORT.....A THANKYOU!

We of Orange County who were privileged to attend the Roundup last month are most grateful to those members of Alcoholics Anonymous, Al-Anon, and Alateen who did such a masterful job of representing us, and we wish at this time to congratulate them all. The whole program was exceptionally fine and those responsible merit our applause. Morrie M., and his committee seem to do a better job each year, if that's possible, not only in his programming, but in the selection of those participating. It was wonderful and we'll be there again next year. However, we can't help but feel that we must single out our own. First, our lovely hostesses: Mary Jane J., Newport Beach, Theresa M., Costa Mesa, and Betty S., Laguna Beach. In the Young People's Group Meeting: Earl W., Chairman, Laguna Beach, Jim G., who read the prayer, Laguna Beach, Gail M., Speaker, Laguna Beach then the Family Meeting (which to some was the best of all) thanks to the leadership of Theresa G., Al-Anon Laguna Beach, the inspiring talk by Don I., Alateen, from Costa Mesa. Then to the Participation Meeting with our own inimitable O.B.C. as a co-leader and Phil P. as a speaker. Next to the Sunday Inspirational Meeting brightened by the leadership of Chuck C. and only saddened by the news that Andy G. had been taken ill. The last meeting of the Roundup was composed of N.Y. Delegates who we feel belong to all of us: Joe K., Cliff W., especially, Tom A., Joe B., Jack W., and Hazel R. of the General Service Office, N.Y.

Once again we thank you from the bottom of our hearts for a job well done, to Morrie S., and all those participating. It was most inspiring to this reporter and I'm sure to all who attended.

ALCOHOLICS ANONYMOUS is a fellow-  
ship of men and women who share their  
experience, strength and hope with each  
other that they may solve their common  
problem and help others to recover from  
alcoholism.

The only requirement for membership is a  
desire to stop drinking. There are no dues  
or fees for AA membership; we are self-  
supporting through our own contributions.  
AA is not allied with any sect, denomina-  
tion, politics, organization, or institution;  
does not wish to engage in any controver-  
sy, neither endorses nor opposes any  
causes. Our primary purpose is to stay  
sober and help others to achieve sobriety.
