G.S.O.

36,000 MEMBERS BEHIND WALLS NEED OUR HELP!

Problems and challenges of institutional A.A. are not new; they are just new to me. The prime need is the continuing one of finding more AAs willing to do this work. We have a heavy responsibility to institutionalized alcoholics; they are unable to come to us for help, so we have to go to them. A good job is being done, but no one feels we have fully discharged our responsibilities in this area yet.

The Hospital and Prison Directories show that in 1965, there were

- 540 prison Groups in the U.S.A.
- 75 prison Groups in Canada and
- 103 prison Groups in other

countries.

That's a total of 718 Groups in prisons with a total membership of 26,157. In 1965, 29 new Groups were added.

In 1965, there were

- 401 hospital Groups in the U.S.A.
- 34 hospital Groups in Canada and
- 131 hospital Groups in other countries.

That's 566 Groups in hospitals with a total membership of 10,774. In 1965, 33 new Groups were added.

To share the institutional experience of the entire Fellowship, we sent a questionnaire to Delegates. About 40% replied with information (covered in detail in the Conference Presentation and Discussion). The questionnaires emphasize the constant and crying need for A.A. literature in institutions.

G.S.O. services to A.A. Groups in institutions are:

1. complimentary literature to new Groups.
2. the World Directory; AA Groups in Correctional Facilities, and AA Groups in Hospitals and Rehabilitation Centers to all

institutional Groups each year.

3. Exchange Bulletin to institutional Groups and sponsors.
4. special literature packages at reduced rates (\$4.50 worth of literature, sold for \$3.00) for hospital and prison Groups. A jail package (valued at \$3.00 and sold at \$2.00) was also made available this year. The Grapevine, ordered with an institutional discount package, may be had for \$3.00 a year.
5. personal correspondence with Groups, members, administrators, sponsors, and Institutional Committees sharing the experience of other AAs and
6. free literature supplied to Groups who have no other means of obtaining a regular supply; back issues of Grapevine, books and publications from other institutional Groups.

FROM ALANON

ANN LANDERS FOR AL-ANON

DEAR ANN LANDERS:

"I have been married for nine years to an alcoholic. During his bouts with J. Barley Corn he ignored the children and shamed the face off me in front of friends and family. Now that he has taken the cure he thinks I should kiss his feet when he walks through the door and forget all the agony and pain he has caused me.

Since he has stopped drinking we have extra money to do some of the things I have always wanted to do but could never afford. But he is never here. He is out in the neighborhood "doing good deeds" for everybody and anybody.

They all tell him what a great guy he is and are pinning medals on him because he straightened around. Nobody praises ME for having put up with him. He was in the hospital four times with DTs. Unless you have seen someone under these conditions you can't imagine what it's like.

I'd like your views on how to handle the situation. - NOTHING WIFE

DEAR N.W.:

You were miserable when your husband was on the booze, and you are miserable now that he is off it. I think perhaps you are just miserable.

I can't straighten you out in a single letter. Get in touch with Al-Anon. (This is a branch of AA). Read their literature and learn how to live with your husband. Some women find a dried out drunk more of a problem than a wet one."

COME ONE, COME ALL! OFFICIALLY WE'RE OPEN. ALANO OF COSTA MESA!!!!!!

On October 2, 1966 the official opening for Alano Of Costa Mesa was held at 2040 Placentia, Costa Mesa, California.

About 200 folks turned out to see the new facility and enjoy the good AA talk, cake and coffee. The cake was a beauty resplendent with its Pepsi Cola bottle and other appropriate decorations. A good time was had by all and the coffee flowed like, well, you know what.

The hours for the Club are now 11AM to 11 PM. So if you missed out on the gala affair, stop by and become acquainted with your new AA facility in the beach area.

Paco Fontanez, newly arrived from Mexico City, donated 4 hours of his time to play and sing favorite American and Mexican songs. Senor Fontanez was a RCA Victor recording star when he lived in Mexico City.Mary Jane- Membership Comm.
